

THE WINTER SHELTER TIMES

*Reflecting the heart of
God by feeding,
sheltering, clothing and
healing those in need.*

HERE IS WHAT HAPPENED THIS WEEK

- This week, we had one 911 call because of a guest altercation.
- Our nightly numbers have fluctuated between 7-9 guests a night.
- We require everyone to wear a mask at the shelter for extra precautions.
- We are making sure to sanitize and keep staff and guests safe during this time.
- We have been making social distancing a priority and enforcing it as best as we can.

This is the last newsletter until next season!

The shelter closed April 29th.

Thank you for your continued support this year!
